**REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

The prior art of record, neither alone nor in combination, does not teach nor fairly suggest, to one having ordinary skill in the art, at the time the instant invention was made, the instantly claimed "a production management system" comprising "a data processing section which chronologically processes the data stored in said fourth storage section based on said group codes of said product under assembly, the specified date and time, and the output information selected by said first, second, third display/selecting sections; and a first display section which displays the data chronologically processed by said data processing section for each item to be output based on the output information" in combination with the instantly claimed "first, second and third storage sections," "first, second and third display/selecting sections" and other claimed elements of the system, or similar language.

2. Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Maria N. Von Buhr whose telephone number is 703-305-3837. The examiner can normally be reached on M-F (9am-5pm).
